Questions and Answers

Q1. How many days of the week does the library branches get their newspapers?

A. The New York Times is the only paper where one (1) of our smaller library neighborhood branches gets only the Sunday edition and the larger branches get both daily/Sunday.

The frequency of deliveries for all other newspaper editions would depend on how often a library branch needs that particular newspaper edition. The County will work out a delivery schedule with the successful Contractor.

Q2. Does the County receive deliveries by mail or carrier?

A. The bulk of the deliveries for the publications are through the U.S. mail; some newspapers are delivered by local carriers.

Q3. For the title World Journal, which edition do you want?

A. It is Shih Chieh Jih Pao - World Journal.

Q4. Who is the current contractor?

A. EBSCO

Q5. Can you provide the vendor pricing from the previous solicitation?

A. Please refer to Attachment I.
